STAY OVER

To be able to make the most out of the limited time we have to share with all of the important people in our life, we have opted to rent out a lodge that can accommodate our entire party. All you have to do is get there!

The lodge is located near hiking, fishing, kayaking, whale watching, bucolic scenery, and a cute little town. So come prepared to do whatever interests you.

If you feel you would like other arrangements, please contact us.
